

## IRB Fees

IRB fees cover the cost associated with protocol review by the IRB. The Christ Hospital IRB (TCH IRB) established the following fee schedule to help fund services provided by the IRB which include study review, education initiatives, and compliance monitoring activities. Currently, the IRB Office only charges fees for industry-sponsored research.

**Submissions on or after 02/20/2023 are subject to the following fee schedule:**

Type of Review	Initial Review	Continuing Review/Status Update	Changes in Research [with consent form changes]	Changes in Research [without consent form changes]	Study Closure
