The Christ Hospital Foundation
Annual Report

Charitable Gifts Help Create *A Beautiful Place to Heal*

For patients with cancer, their environment of care is as important as the treatment they receive. In addition to offering the most advanced treatments, The Christ Hospital Cancer Center is providing a healing, comforting environment for our patients and their families.

Charitable gifts totaling more than \$750,000 have helped make our Cancer Center a beautiful and inviting place supporting patients' return to good health.

Renovations are being completed in stages, and approximately 8,800 square feet has already been finished. The Center has a new outdoor garden to bring the beauty of nature closer to patients and visitors, a resource room conveniently located next to the waiting area with information on cancer care and support for before, during, and after treatment, and more.

Future renovations include the addition of a specialty boutique and demonstration kitchen.

Cancer Center waiting area with comfortable seating, nature-themed artwork, and glass doors and windows to bring in light.

The Christ Hospital Foundation Guild Raises More than \$18,000 to Support a Demonstration Kitchen for the Cancer Center

The Christ Hospital Foundation Guild is all about having fun while making a difference. In September, the newly formed group of passionate volunteers hosted "Let's Get this Kitchen Started," an event to benefit the Cancer Center's demonstration kitchen. Part of the Cancer Center renovation, the demonstration kitchen will provide programs on cancer prevention, supplement ideas and recipes, as well as foods to eat during treatment and survivorship. More than 120 friends and hospital staff attended the fundraiser, which was held at Stir in Montgomery, Ohio. At the event, Chef Scott Neidhard from Mission Fig Catering demonstrated how to prepare a seasonal gazpacho dish, mixologists from Japps in Over-the-Rhine divulged secrets to making signature cocktails. Specialty coffee and hot chocolate was provided by The Coffee Exchange in Pleasant Ridge. Local singer and songwriter Kelley Zenz entertained the crowd with acoustic guitar. The venue, food, drinks, and music were all graciously donated to support the event.

"We are very grateful to the many people who gave their time, talents, and support to help make our first event a success," said Chris Wright, Foundation Board Member and Guild Chair. "We are truly touched by their willingness to help and couldn't have done it without them."

Amidst the mingling and fun, guests made donations to support kitchen equipment and participated in a silent auction featuring aprons and gift baskets made by Guild member, Kris Neyer. Through event tickets, donations, and auction sales, The Foundation Guild raised more than \$18,000!

"Bringing people together to support The Christ Hospital's efforts to fight cancer and improve lives has been such an exciting and rewarding experience," said Kim Hartman, Foundation Board Member and Guild Chair. "We are so pleased with how well this event went, and are looking forward to future events!"

Proceeds will be used to equip the new kitchen with appliances, serving platters, cutlery, and other items, as well as food for nutrition programs and cooking demonstrations led by guest chefs.

David Ashbrock completes the puzzle after making a donation to support kitchen equipment!

"Many thanks for the dedicated and inspiring work in the planning and execution of this event. We are so honored that the Oncology Program was chosen as the first event of the newly formed Foundation Guild." – Brian Mannion, MD, PhD, Oncology.

The Strub Family Gives Back

Robert Strub, M.D., Obstetrician & Gynecologist, served on The Christ Hospital Foundation Board and as VP of Medical Affairs, and is currently on the Carl & Edyth Lindner Research Center Board and Continuing Medical Education Committee. His wife, Jill, was a nursing instructor for 29 years in a variety of settings including The Christ Hospital and the Christ Hospital School of Nursing.

Several years ago, the couple established an emergency assistance fund for students at The Christ College of Nursing and Health Sciences, and this year, gave \$25,000 to support continuing education for the hospital's nursing staff.

"Nurses often have to pay for their own continuing education courses, which can be costly," says Jill. "We want to make education more

accessible so they can continue providing excellent care to patients and families."

"Education is especially important for nurses today because technology changes, and the acuity of care is much higher," says Dr. Strub. "We hope our gift honors the nursing staff while helping continue their success."

Dr. and Mrs. Strub's gift has funded a certification exam review course through the American Association of Critical Care Nurses. More than 70 nurses completed the course, and 30 have already taken and passed the exam, including Gregory Barlion, RN, BSN, CCRN, who works nightshift in the Cardiovascular Intensive Care Unit.

"This opportunity gave me a more

in-depth look at other organ systems and how they are managed," says Mr. Barlion, adding, "I now identify patients' needs and changes in their health status more quickly."

In honor of The Christ Hospital's 125th Anniversary, Dr. and Mrs. Strub have also provided the funds to purchase equipment for the physical therapy rehabilitation unit.

Dr. Robert and Jill Strub

The Christ Hospital's 125th Anniversary Gala

The Christ Hospital's 125th Anniversary Gala was a huge success, bringing together more than 1,200 physicians, employees, volunteers, community leaders, and business partners to celebrate the hospital's legacy and future in the community.

Hosted by The Christ Hospital Foundation, the evening showcased touching patient stories that demonstrated why our hospital has been named the Most Preferred Hospital in the region for 19 consecutive years. In addition, long-serving members of the Hospital's Board of Directors Jim Bushman, Ted Emmerich, Joe Head, and Roger Howe were honored for their talents, commitment and support to the hospital.

Proceeds will benefit patient programs in primary care, heart, joint and spine, cancer and women's services, impacting the lives of more than 500,000 patients we serve each year.

Stay tuned...Full coverage of the Anniversary Gala will be featured in the next issue of the Grateful Giving magazine.

Joyce and Roger Howe, Barbara and Jim Bushman, Ted and Kate Emmerich and Louise and Joe Head

A MESSAGE FROM THE PRESIDENT

The Christ Hospital Foundation works with donors to make a meaningful impact on people's lives. Philanthropic dollars help purchase new technologies, provide enhanced training and improve access to care—all of which make a difference to patients and families who trust The Christ Hospital Health Network with their wellbeing. Through their philanthropy in FY14, donors invested \$6.05 million in the health of Greater Cincinnati—nearly double the amount donated the previous year.

Thanks to their generosity:

- **The Joint and Spine Center is closer to completion.** It will be one of only a few facilities in the nation to offer comprehensive joint and spine care, including sports medicine, rehabilitation, research studies and education, in one convenient location.
- **Cancer care is safer and more personalized.** New monitors, able to detect heart issues that may arise during treatment, are improving care and increasing patient safety. Cancer Center renovations provide a healing environment for personalized care that treats the whole person, not just the disease.
- **The Breastfeeding Support Program** is serving more women and infants, ensuring at-risk infants the nutrition they need and working to decrease infant mortality in Greater Cincinnati.
- **Heart patients have new options** that can help them lead healthier, longer lives. New technologies, such as the Left Ventricular Assist Device (LVAD), are extending and enhancing the lives of patients with heart disease.
- **More geriatric patients are benefitting** from the expertise of hospitalists who help manage their unique and complex medical conditions. Our health network offers patients and their families the region's only outpatient center for geriatrics and ongoing geriatric consultation.

These are but a few ways philanthropy impacts patient care throughout our health network. Donors also give generously of their time and talents. In FY14, dedicated volunteers undertook planning of the hospital's much-anticipated 125th Anniversary Gala. The event raised vital support for patient assistance programs in many of our clinical areas. Volunteers also helped establish The Christ Hospital Foundation Guild to raise money and awareness through special events and charitable giving.

On behalf of The Christ Hospital Foundation, I extend my heartfelt thanks to all our donors who make a profound difference every day in the health and wellbeing of our community.

Gratefully,

Richard F. Kammerer, FAHP, CFRE
President, The Christ Hospital Foundation

* Deceased
 ** Denotes a fund of The Greater Cincinnati Foundation

The Christ Hospital Foundation extends its sincerest gratitude to all of the generous donors who made gifts during FY 2014 (July 1, 2013 - June 30, 2014). Although every effort was made to ensure accuracy in this Honor Roll of Donors, unintentional errors do occur. Please call Rita Spicker at 513-585-4128 to report corrections. Thank you.

Honoring the Lives of Babies

The pain and grief that a mother and family feel when the baby they wished for dies shortly before or after birth is profound. It takes time, compassion, and support to heal, and for many families, honoring the life and memory of their child assists them in their journey through this heartbreaking experience.

Supported by donor contributions, The Christ Hospital's Women in Need of Grief Support (WINGS) Program provides cremation, burial, and remembrance ceremonies that bring comfort and support to mothers and families. WINGS helps families make decisions about how to best honor their babies and assist them in beginning their grief journey. Upon parental requests, baptisms and/or blessings are performed, and memory boxes are started with pictures, locks of hair, footprints and other means by which to remember the baby's life.

Remembrance ceremonies, held annually at Walnut Hills and Oak Hill Cemeteries, bring families from all over the region together to reflect

"We wish there was a Christ Hospital in Louisville to provide the compassionate care that we received at The Christ Hospital."

— David and LeAnn, WINGS Program participants

upon and share their experiences. In September, the WINGS Program held its sixth annual remembrance ceremony, which brought families from as far as Findlay, Ohio, Louisville, Kentucky and Providence, Rhode Island together to honor their children and grandchildren.

FOR MORE INFORMATION on the WINGS Program, please call 513-585-0940 or email Ora.Walters@TheChristHospital.com. To donate to the WINGS Program, please contact The Christ Hospital Foundation.

Behind-the-Scenes of The Christ Hospital Joint and Spine Center

Guests marvel at the views of downtown Cincinnati from the new Joint and Spine Center.

Friends and donors of The Christ Hospital Foundation were given a sneak-peak of the future of orthopaedic and spine care this past September at a private, behind-the-scenes tour of the new Joint and Spine Center.

The group saw eight key areas of the Center, including spectacular views of the city, and learned about specific design elements that will make the patient experience among the very best in the country. The tour was led by Rick Perkinson, Director of Facilities and Construction, Herb Caillouet, Executive Director of the Musculoskeletal Service Line, and Bob Inkrot, Senior Project Executive of Messer Construction.

For more information on Joint and Spine Center Tours, please contact The Christ Hospital Foundation.

#GIVINGTUESDAY

You've heard of Black Friday and Cyber Monday, but have you heard about Giving Tuesday? In 2012, two non-profits in New York City created #GivingTuesday™ in response to the commercialization of the days immediately following Thanksgiving. Giving Tuesday was created as a national day of giving, and refers to the Tuesday after Thanksgiving, which is December 2 this year.

A completely social media campaign, #GivingTuesday™ spreads its message through Facebook, Twitter, and Instagram with links to non-profit online giving sites. Since its inception,

Giving Tuesday has grown to become an international social media phenomenon and was responsible for donations of \$19 million to non-profit organizations all over the world.

This year, The Christ College of Nursing and Health Sciences is joining the global celebration of giving. Its Student Congress has embraced #GivingTuesday™ as a platform to raise awareness and encourage giving to the College in support of student scholarships. Throughout November and up to December 2, students will be posting and tweeting on social media about their experience,

gratitude to donors who have made their scholarships possible, and the importance of charitable giving for scholarships. Throughout the Fall Alumni Annual Fund Campaign, alumni will be encouraged to not only make their annual gift but to join in the national day of giving and spread the word about the importance of supporting the College.

98% of students at The Christ College of Nursing and Health Sciences receive financial assistance. The gap between tuition assistance available and the need per student is \$2,000 - \$5,000 per semester. Your gift can make a difference. Contact The Christ Hospital Foundation or go to www.thechristcollege.edu for more information.

YOU can make a difference

You can support the programs, projects and people of The Christ Hospital Health Network that you just read about by making a tax-deductible donation.

The Christ Hospital Health Network is a not-for-profit organization and relies on the support of generous individuals like you to provide resources that help make exceptional care possible.

Your Gift Now – You can provide immediate benefits to patients and families.

Cash or check donations can be mailed to:

The Christ Hospital Foundation
625 Eden Park Dr., Ste. 150
Cincinnati, OH 45202

Credit card gifts can be made online at TheChristHospital.com/foundation or by calling Rita Spicker at 513-585-4128.

Join the 1888 Society – For 25 years, members of the 1888 Society have made a profound difference in the health of the community. Their generosity provides new technology, equipment, leading edge research and amenities to enhance the patient experience. With your gift of \$1,000 or more you will join other leadership donors in sustaining the outstanding healthcare of The Christ Hospital Health Network.

Double or triple your gift – Many companies offer gift matching programs and some will match gifts made by retirees and employee spouses. Ask your company's Human Resources Representative if this is an option for you.

Your Gift for the Future – Remember The Christ Hospital Health Network in your Last Will and Testament, and make a significant impact on the future healthcare of our community. If you have questions or wish to speak to someone from The Christ Hospital Foundation, call 513-585-3394.

Foundation Board Spotlight

Kathryn Ann Weichert, M.D.

Kathryn Ann Weichert, M.D. retired from The Christ Hospital in 2011 after working for more than 20 years as a Radiation Oncologist. Today, Ann continues to give her time, talents, and philanthropic support to the hospital and its oncology program. She is a Board Member of The Christ Hospital Foundation and committee member of the 125th Anniversary Gala, and remains committed to improving the patient experience as a volunteer.

With a keen talent in gardening, Ann has taken personal interest in revitalizing two garden areas of the Cancer Center as well as one on the first floor of the hospital with the help of Bill Knox from Natorp's Garden Center. The gardens bring the healing elements of nature closer to patients, visitors, and employees. Ann also spearheaded the fundraising for telemetry units on the inpatient oncology floor so that clinical staff can monitor patients' vital signs more easily and detect emergent medical issues while continuing to provide exceptional care.

Shop, Save and Support The Christ Hospital Health Network in our community!

It's Easy. It's Free.

If you shop Amazon.com or with a Kroger Plus Card, you can help support healthcare programs, medical education and capital projects at The Christ Hospital Health Network. Both Amazon and Kroger will donate a portion of your purchases through their reward programs.

To register or re-enroll your Kroger Plus card (necessary each year), just follow these easy steps.

- 1 Log onto www.kroger.com/communityrewards
- 2 Choose "Sign In" or "Create an Account"
- 3 Select Christ Hospital
- 4 Select Save.

To register for Amazon Smile, search Amazon Smile on Amazon.com and **amazon smile** follow the link to the site. Login and select Christ Hospital. It's just that easy. Remember, your shopping at Amazon, only benefits your charity when you start at smile.amazon.com
