# LARRY OTTO PATIENT- AND FAMILY-CENTERED CARE AWARD

The Larry Otto Patient- and Family-Centered Care Award recognizes employees and physicians at The Christ Hospital Health Network who exemplify patient- and family-centered care (PFCC). The award is named in memory of Larry Otto, a founding member of the Patient and Family Advisory Council who was passionate about including family throughout the healthcare experience.

Anyone may submit a nomination - including patients, their families, employees and physicians. A selection committee of five non-employee members of the Patient and Family Advisory Council will review all nominations and select the winners. Three awards will be presented during Hospital Week in May: one to a nurse, one to a licensed practitioner or physician and one to a non-nurse employee.

Please return completed nominations by April 21, to [Regina Shupe](#) in Patient & Guest Services.
